## Analog Medicine - A Science of Healing: Adopting the Logic of Quantum Mechanics as a Medical Strategy

By Ronald Hamm

AuthorHouse. Paperback. Book Condition: New. Paperback. 408 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Analog Medicine is a book that demystifies the healing process. I wrote it for my friends and colleagues who are struggling to become better healers. Healing and health represent a complex puzzle with multiple interlocking pieces. To solve that puzzle and see the whole picture, we have to successfully fit all the pieces together. We must study the complicated details of the individual parts while always keeping in mind how they relate to that big picture. Educated individuals typically err in this effort by concentrating far too much time and attention on the details of each individual part. The board certified surgeon and master acupuncturist are experts focused exclusively on different integral, yet isolated, parts of the total reality. To become healers, these technical experts must broaden their view of reality to encompass the whole. A review of the latest developments in other scientific fields such as physics, neurophysiology, linguistics and logic will help in this regard. Healing is a comprehensive process that spans all the dimensions of reality. It is, on a higher level, a quantum energy phenomenon that can not be accurately explained,...
