Filesize: 4.15 MB

Reviews

This ebook is worth acquiring. It is rally fascinating throgh looking at period of time. I am quickly could get a pleasure of reading a created pdf.

(Mekhi Crona)

TRAGEDIES AND FORTUNES: A MEMOIR

iUniverse. Paperback. Book Condition: New. Paperback. 642 pages. Dimensions: 9.0in. x 6.0in. x 1.6in. As a boy in the 1930s, Kenneth Moore experienced the misery of the Great Depression firsthand. When he grew up after having watched President Franklin Roosevelt work furiously to rescue a population from joblessness and poverty, Moore became a union organizer and executive in the positions of international vice president of BRT and UTU. Over a lifetime of fighting for the working man and woman, Moore faced death threats, a stabbing, a robbery, and relentless opposition. He traveled the world for the cause of labor and witnessed history. Now Moore looks back on that life in a sweeping memoir that is the story of a man, a movement, a family tapestry, and a rich meditation on some pivotal and horrific moments of the past: Hiroshima (with never-before-released survivor interviews), the Holocaust, and the atrocities done to Native Americans. Tragedies and Fortunes is a fascinating insiders look at the rise of organized labor and the times in which it came to be. Its a tale of heroes and villains, of struggles against greed and triumphs for good. Its a great American story, a life lived in devotion to a cause, and one mans lessons from the past that may help all of us make better choices for our future. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
