Harper Collins, 1999. Hard Cover. Book Condition: New. Dust Jacket Condition: New. Frank McCourt's *Angela's Ashes*, a memoir about growing up under difficult circumstances in Brooklyn and Limerick, became an unexpected sensation a couple years ago, and deservedly so. McCourt, using delicate, direct prose, related the difficulty of an impoverished childhood troubled by a hard-drinking, irresponsible father. *Angela's Ashes* closes with McCourt's journey back to America, and its sequel, *Tis*, picks up almost precisely where its predecessor left off. If McCourt's patriotic closing sentiment in *Ashes* seemed a bit too simplistic, *Tis* makes it clear that America didn't immediately offer milk and honey to her prodigal son. Undereducated, unwashed, and plagued by eye troubles, McCourt struggles to carve out a life in New York, working as a busboy to the privileged in the '40s before joining the army and eventually returning to New York to resume his education.
