Fairwood Press, United States, 2010. Paperback. Book Condition: New. New.. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.He s William F. Nolan, Living Legend, but, more importantly, he s Bill Nolan-the super talented, outstanding author of classic works (Logan s Run; Burnt Offerings [screenplay]; The Pool, The Party, and hundreds more), and a sensitive poet. Maybe some thought that the Nolan of yore-the edgy, spare writer of those acknowledged classics-was gone: that he had lost that ability, as others have, to move, terrify, engage. Not so. This collection is proof. Within these covers are some of the best tales of Nolan s long and storied career: Zachry Revisited, from the Matheson tribute anthology He is Legend, about the strange population of a fictional Maine town; Descent, about the personal aftermath of an evil act; Child s Care, about the ulterior motivations of the people we trust the most; the clever The Man Who Stalked Hyde; the powerful The Death of Sherlock Holmes; the list goes on. Whether science fiction (To Be With Amy) horror (Stabbed By Rob) or straight literary (Getting Along Just Fine), Nolan shines. --Jason V. Brock.
