These stereotypes include violent, criminal and vile behavior while wearing a wide-brimmed sombrero with a bottle of tequila in hand. Why do they exist What are the reasons for this Berg argues that one prominent source for the dominant stereotype of Chicanos is the media, primarily the globally dominant U.S. media, and specifically though not exclusively Hollywood movies. According to the psychologist Yueh-Ting Lee, stereotypes are probabilistic belief [which we] use to categorize people, objects, and events and we have to have them in order to deal with all the information in a world with which we are often uncertain as well as unfamiliar. A dangerous character is ascribed to stereotypes when we consider Bower s statement that stereotyping can be seen as...
