

Blackjack Blueprint: How to Play Like a Pro Part-Time (Revised edition)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

BLACKJACK BLUEPRINT: HOW TO PLAY LIKE A PRO PART-TIME (REVISED EDITION)

Huntington Press. Paperback. Book Condition: new. BRAND NEW, Blackjack Blueprint: How to Play Like a Pro Part-Time (Revised edition), Rick Blaine, From the first turn of the card to getting out of a foreign country with a suitcase full of cash, Blackjack Blueprint is the most comprehensive book ever written on learning to play blackjack for profit. This book covers everything from basic strategy to counting cards, from maximizing potential going solo to playing on a blackjack team. Casino comps, tournaments, location play, shuffle tracking, playing in disguise, outwitting the eye in the sky, and other advantage-play techniques--it's all here. Best of all, the techniques you'll learn in Blackjack Blueprint can be used part-time as a money-making hobby, just as author Rick Blaine has used them for years while pursuing a career in finance. This revised edition contains new information on getting reimbursed for airline tickets to casino destinations, negotiating and optimizing rebates on gambling losses, hiding chips and disguising wins, security while on blackjack-related websites, mitigating the risk of identity theft by casino and credit-agency employees, and protecting your personal privacy when making large cash transactions at casinos.
