

The Masks of Christ: Behind the Lies and Cover-ups About the Man Believed to be God

By Lynn Picknett, Clive Prince

Little, Brown Book Group, United Kingdom, 2010. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. This book is not intended as an attack on Christianity of the Christ of faith, but is an assessment of all the historical evidence about Jesus Christ. Although there is a huge literature on the subject - theological, historical, mythical, New Age and speculative - almost all of it is aimed at a niche market. The Masks of Christ is very different, being a mainstream book aimed at everyone. For the first time, all the various theories and facts about Jesus are considered between the covers of one accessible book. As the phenomenal sales of The Da Vinci Code continue to fuel a growing global appetite for questioning the old certainties and assumptions about Christianity and what it says about its founder, never has there been a more perfect time to launch The Masks of Christ.
