Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Indian Legends Retold The first Indian legends, repeated by the fireside to children, deal with the animals humanized, their gifts and their weaknesses, in such a way as to be a lesson to the young. Our view of the creation allows a soul to all living creatures, and rocks and trees are revered as sharers in the divine. Beyond their simplicity and realism there is always the unexplained, the background of mystery and spirituality. These animal fables serve as an introduction to more complicated stories with human actors, which almost always have their hidden moral and are accepted by our people as guides to life.
