## Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

Grove Press. Paperback. Book Condition: New. Paperback. 256 pages. In Cliff Chases scathingly funny and surprisingly humane debut novel, the zeitgeist assumes the form of a one-foot-tall ursine Everyman a mild-mannered teddy bear named Winkie who finds himself on the wrong side of Americas war on terror. After suffering decades of neglect from the children who've forgotten him, Winkie summons the courage to take charge of his fate, and so he hops off the shelf, jumps out the window, and takes to the forest. But just as he is discovering the joys and wonders of mobility, Winkie gets trapped in the jaws of a society gone rabid with fear and paranoia. Having come upon the cabin of the mad professor who stole his beloved, Winkie is suddenly surrounded by the FBI, who instantly conclude that he is the evil mastermind behind dozens of terrorist attacks that have been traced to the forest. Terrified and confused, Winkie is brought to trial, where the prosecution attempts to seal the little bears fate by interviewing witnesses from the trials of Galileo, Socrates, John Scopes, and Oscar Wilde. Emotionally gripping and intellectually compelling, Winkieexposes the absurdities of our age and explores what it means to be human in an increasingly barbaric world. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
