The first of the number - for they are not a series - was the produce of a sudden thought suggested by the circumstance to which it refers: those that follow bespeak the manner of their growth, and evince too, in that growth, the danger of launching an extensive topic. If the efforts of an humble individual like myself could turn into a legitimate course the struggles, which the working classes are making in search - as I would say, rather than in defence or in assertion - of their rights, I should highly value my success. There is really nothing wanting to complete all the attainable comforts of which their situations are susceptible, except the free exercise of their rights; and if they could be brought to claim that freedom, with half the zeal and energy with which they follow phantoms or invade the freedom of others, they would soon experience the advantage of coming before the tribunal of public opinion with a good cause. The plain and strong truths with which these letters might arm them, whenever they should be disposed to employ such weapons, must escape from view and pass out of remembrance, if they have no other...
