Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

THE SURGEON TALKS, THE ORIGINAL SHORT STORY: (ARTHUR CONAN DOYLE MASTERPIECE COLLECTION)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Men die of the diseases which they have studied most, remarked the surgeon, snipping off the end of a cigar with all his professional neatness and finish. It s as if the morbid condition was an evil creature which, when it found itself closely hunted, flew at the throat of its pursuer. If you worry the microbes too much they may worry you. I ve seen cases of it, and not necessarily in microbic diseases either. There was, of course, the well-known instance of Liston and the aneurism; and a dozen others that I could mention. You couldn t have a clearer case than that of poor old Walker of St. Christopher s. Not heard of it? Well, of course, it was a little before your time, but I wonder that it should have been forgotten. You youngsters are so busy in keeping up to the day that you lose a good deal that is interesting of yesterday. Walker was one of the best men in Europe on nervous disease. You must have read his little book on sclerosis of the posterior columns. It s as interesting as a novel, and epoch-making in its way. He worked like a horse, did Walker--huge consulting practice--hours a day in the clinical wards--constant original investigations. And then he enjoyed himself also. De mortuis, of course, but still it s an open secret among all who knew him. If he died at forty-five, he crammed eighty years into it. The marvel was that he could have held on so long at the pace at which he was going. But he took it beautifully when it came.
