Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 2000 A.D., the author experienced physical eye trauma to one eye resulting in an injury that was compounded by an erroneous medical prescription designed to treat the injury. The combined trauma and damage caused by the prescription drug resulted in severely limited vision in his injured eye. Unable to accept the result of this injury, he embarked on a mission to overcome it. As a result of the damage he sustained, he had the opportunity to interact with accomplished doctors in many prestigious universities and institutions. He participated in events and seminars that only doctors were invited to and engaged in all available rehabilitation. The restoration of the vision of others that he shared these concepts with motivated him to develop his own Vision Therapy System that he now shares with you in this book. About the Book: Vision Therapy: Exercise Your Eyes and Improve Your Eyesight examines vision therapy and the historic application of it to correct vision problems. How eyesight works...
