LIGHTNING SOURCE INC, United Kingdom, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.These insights from the book of Proverbs have been in development for many years, originally put together as lessons for the author s young children, then used to teach adults in many different churches and even Christian high schools. The author continues to explore the lessons of wisdom in his own life, his family, his work in industry, in various churches, and in the lives of other adults. This book lays out some of the foundations of wisdom as found in the book of Proverbs. Four basic responses to wisdom define and affect us throughout our lives: the responses of the Simple, the Mockers, the Fool, and the Wise. Wisdom in the church is part of God s eternal plan in Christ Jesus our Lord (Ephesians 3:10-11). It is hoped that the insights of this book will help to bring more wisdom into the lives of Christians in the church today, both for their personal benefit and for the purposes of God s eternal plan. Dick Hockett and his wife Betty currently live in San Jose, CA, where they attend a local church. They have two married children and six young grandchildren. Dick works in the high-tech industry in Silicon Valley and has taught Bible studies for many years both in California and in the Midwest.
