FIFTH WORLD

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Trapped on Blue Star, two Special Forces are stranded in an alien solar system. At first, they were sent to secure the Blue Star space station for their nations but they quickly learned that they were not in control of their fates. An ambiguous race of small machines, the Scragg, have propelled the station to a planet and isolated the soldiers in the lower sections. Colonel Flagstaad is determined to find a way back home for his soldiers. Their original enemy are prisoners laboring to repair the damaged Garuda space shuttle. The two enemies need to find a way to work together without killing each other, to eventually persuade the Scragg to send them home. But that mission would be difficult when some prisoners are conspiring against them. To make the situation worse, the Colonel has a civilian that irritates him, a presumptuous Chinese Commander that annoys him and a French Professor that infuriates him. His daughter-in-law is an insolent Officer and his son is drifting away from him. He is surrounded by nagging frustrations that he cannot command to cease. He remains stubborn, determined to force the Scragg to return them home, but the mischievous machines had something else in mind. They force the soldiers from the space station. The events lead them to crash on an alien world, the opposite of what he wanted. Now, they are stranded on an alien world. The soldiers explore its mysteries, but there is something familiar about it. The animals seem like creatures ripped from the pages of myth, legend and extinction. They hunt Griffins, fight off Balinese Tigers and watch Unicorns herd with American Buffalo. All of this is...
