RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. OCLC Number: 52854715 Excerpt: . . . This section discusses our analysis of Commerces performance in Assessment of achieving selected key outcomes and the strategies - particularly those Commerces Progress related to strategic human capital management and information technology - that it has in place for achieving these outcomes. and Strategies in Achieving Selected Key Outcomes On the basis of Commerces report, the Economic Development Create Jobs and Maintain Administration (EDA) made good progress in achieving its two Successful Businesses performance goals related to this key selected outcome: (1) to create jobs and private enterprise in economically distressed communities and (2) to build local capacity to achieve and sustain economic growth. In March 1999, we reported that measuring job creation that results from economic 7 development programs is problematic. EDA reports that it adjusted its targets related to creating and retaining permanent jobs based on our report, resulting in conservative targets. In addition, EDA uses multiple measures to assess its performance related to this outcome. Among the achievements that EDA reports were creating or retaining over twice as many jobs...
