

Still Learning to Read: Teaching Students in Grades 3-6

By Karen Szymusiak, Franki Sibberson

Stenhouse Publishers. Paperback. Book Condition: new. BRAND NEW, Still Learning to Read: Teaching Students in Grades 3-6, Karen Szymusiak, Franki Sibberson, The saying goes that "children learn to read in grades K-2, and read to learn in grades 3 and up." However, teachers in grades 3 through 6 are discovering this conventional wisdom is wrong--their students have to deal with an increasingly sophisticated range of texts that require additional reading skills. Upper elementary teachers face the difficult task of trying to offer appropriate reading instruction just as many of their students have their first experiences with textbooks, high stakes exams, and complex reading in new genres. In Still Learning to Read , Franki Sibberson and Karen Szymusiak provide guidance on how to devote more time to reading instruction, without neglecting the content demands of the curriculum. Because they work daily with students, the authors share a teacher's perspective on building reading instruction into the packed school day, and matching instruction and texts to the specific needs of older readers. The book presents many sample lessons, descriptions of classroom routines, and stories taken from the heart of the authors' reading workshops. Teachers will be inspired and reassured that reading in the...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
