## The Disciple

By Stephen Coonts

Brilliance Corporation, United States, 2013. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. Iran is much closer to having operational nuclear weapons than the CIA believes, and Iran's president, Mahmoud Ahmadinejad, has a plan. With twelve nuclear warheads mounted on twelve missiles, he will make Iran a martyr nation; then he will lead the world's Muslims in a holy war against the nonbelievers. However, the Americans have a secret weapon in a group of Iranian dissidents, including a brother and sister determined to avenge the death of their beloved grandfather at the hands of the religious police. They are funneling information to Tommy Carmellini. They want to stop the attack before their leader launches a new world war. Will the U.S. government believe the information they are providing, and can the Americans prevent the Israelis from taking matters into their own hands, which could prove disastrous?.
