

Justification: God's Plan & Paul's Vision

By Wright, N. T.

IVP Academic, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "N. T. Wright provides yet again another fresh and exciting exposition of the apostle Paul. Here Wright shows how Paul proclaimed justification by faith as part of the Bible's theodramatic story of salvation, a story that stretches from creation to Abraham to Israel and all the way through to Jesus the Messiah. Wright responds to many criticisms including those of John Piper, and regardless of whether one gravitates toward Wright's or Piper's unpacking of Paul, you cannot help but enjoy the sparks that fly when these two great modern pastor-scholars cross swords over the apostle. Moreover, Wright artfully brings readers into the narrative world of Paul, and he sets before us a stirring portrait of the apostle to the Gentiles and his gospel."
