We hold that no organization, such as that from which this bulletin emanates, should collect from users of test materials the results which they have attained in their localities and hoard them in miserly fashion for its own purposes. Moreover, it is not so nominated in the bond. We do not, as Dr. Monroe says, attempt in this bulletin to give directions for administering tests or interpreting results. We are mainly concerned with what the results are. We are continually receiving questions from practical workers in the field. These questions have led us to believe that they are much interested in and perplexed by the question...
