

The Art of Checkmate

By Georges Renaud, Victor Kahn, Victor Kahn

Pavilion Books. Paperback. Book Condition: new. BRAND NEW, The Art of Checkmate, Georges Renaud, Victor Kahn, Victor Kahn, One of the most popular and enduring chess books of all time finally gets the English-language edition it deserves--with algebraic notation for the very first time! When it originally appeared in the 1950s, "The Art of Checkmate" was marred by a careless and mistake-filled translation. This new version accurately reflects the authors' stellar work, including fresh analysis and text missing from previous publications. It presents the basic patterns of checkmate, explanations of how to carry them out, examples from regular play, and test-yourself puzzle positions to reinforce Renaud and Kahn's valuable unmatched information. Never before has it been clearer why so many players consider this a favorite, and put it on their top-ten lists.

Reviews

This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.

-- **Maymie O'Kon**

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lupe Connelly**
